DOULAB FOR CIRCUS AND DANCE

Thank you so much to EPIC print for the beautiful Tshirts and tote bags they made for us at Rí Rá Festival of Children's Arts. They brought the design to life and it was so beautiful to be able to send the artists and their children back to Argentina, France, Italy & Peru with a lovely way of remembering the 2026 edition of the Festival.

Who we are

Promotional products with Social Impact

EPIC Social Enterprise is part of the Cornmarket Project and gives employment to those who have found it difficult to access the labour market as a result of prior criminal convictions, or who are in recovery from addiction. All profits generated by EPIC are reinvested in the business with the objective of helping people to rebuild their lives.

Every purchase from EPIC contributes to supporting individuals in recovery, offering essential training, skills, and opportunities to rebuild their lives.

Shop with purpose. Make an impact.
